Product Description

Protect your hands and countertops with our Oven Gloves With Pad. Made from durable and heat-resistant materials, these gloves provide excellent insulation against heat up to 450° F. The comfortable cotton lining keeps your hands cool and comfortable, while the non-slip silicone grip ensures a secure hold on hot pans, trays, and dishes. The included pot pad prevents heat damage to your surfaces and provides a convenient resting place for hot cookware.

Features

Keep your hands safe while cooking with our premium Oven Gloves With Pad. Crafted with durable and heat-resistant materials, these gloves provide exceptional protection from the intense heat of your oven. The extra-thick padding ensures comfort and prevents burns. The flexible design allows for a secure grip on kitchenware, making it easy to handle hot pots, trays, and baking dishes. The long length protects your forearms from accidental contact with hot surfaces. With a convenient hanging loop, you can store the gloves within easy reach. Invest in your kitchen safety with our Oven Gloves With Pad. Whether you're an experienced chef or a home cook, these gloves will provide peace of mind and protect your hands from the heat. Experience the convenience and durability of our oven gloves today!
